## PRAYER BEGETS PRAYER

*Some avenues to help you break  
into an exciting life of fasting and prayer*

**The Prayer House, Kuala Lumpur** was established in 1994 with 7 nights of overnight prayer. Till today, the overnight prayer meeting is still being held every Friday. Many continue to be saved and healed at the Praise and Worship on Monday. Intercession for church and nations is the focus of the Wednesday meetings.

**The National Prayer and Intercessors' Advance** which was started while I was serving as Prayer Secretary in the National Evangelical Christian Fellowship (NECF) has been passed on to the Glory Training Centre to host. To encourage more people to participate in the Advance, we now hold it twice yearly. Praise God, since last year, He has led us to proclaim 40-day fasts leading to the eve of the Advances. The first 40-day fast kicks off the year with the first Advance scheduled during the Chinese New Year holidays, with the fasting and prayer to set the Chinese people, especially Christians, free from all their past bondage to idolatry, gambling, drinking and feasting. What better place to be than to be found in the place of prayer and seeking God nationally at this time?

**National Pastoral Leaders' Prayer Summit** is held every

last week of July annually. It is a great time for pastors and elders to come together to seek the Lord for the prophetic voice for the nation. It is also a time of refreshing and recharging in the presence of the Lord.

**The “Cleansing The Temple” Advances** bring participants into the presence of the Lord to have their pasts dealt with. The Bible says that our bodies are the temple of God (1 Cor 6:19). God’s temple must be cleansed of all sins, bondage and curse from the past to make it a fit dwelling place for a holy God.

**The Schools of Prayer** help participants break through into new dimensions of prayer. Healing and other miracles have also taken place at these times.

**The Glory Place Prayer Centre Of Malaysia** is a miraculous gift which the Lord has given us, His people. It is a beautiful orchard with a waterfall, streams, and a variety of delicious, tropical fruits including durians. Full-time intercessors pray there round-the-clock. You are welcome to join us anytime you wish. Just let us know ahead of time when you plan to come and how long you plan to stay. You can also come in groups to pray and fast. Many have come and been blessed just by staying in the presence of the Lord.

**The 24-hour National Prayer Chain** is organised by Glory Place to mobilise Christians and churches throughout the nation to link up as partners-in-prayer who will look beyond personal needs and pray for the Body of Christ and for nations at least half-an-hour every day wherever they are.

Interested persons are given a self-explanatory prayer packet and are asked to send us personal particulars and a photo to help the people in Glory Place remember them in prayer. We welcome you to become our Prayer Chain Partner. Sending us your commitment slip will automatically place you on our mailing list and you will be among the first to receive my

prayer letters and be informed of all Glory Place events.

We thank the Lord for raising many other groups of prayer warriors and intercessors who faithfully pray for our nation and nations around. We are also grateful to all who have joined us in prayer in one way or another. May you grow in the prayer ministry and be blessed of the Lord.
