Healing, God's Way *-through the cross-*

20-23 April 2011

Who Himself bore our sins in His own body on the tree, that we, having died to sins, might live for righteousness – by whose stripes you were healed (1 Pet 2:24)

Why do so many Christians struggle with sickness and disease? Why do they find it so difficult to receive healing and live in divine health? Does God still heal today? Or does He step in only when all human efforts to heal have failed? How does God heal?

Through the prophet Hosea, God tells us that His people are destroyed for lack of knowledge (Hos 4:6). This is certainly the case when it comes to sickness and disease. What does the Bible, the word of God, say about sickness, disease and healing?

Come and find out more about healing, God's way as we look into the biblical basis for our total reliance on God as our Healer. He revealed Himself to the children of Israel as Jehovah-Rapha, the Lord Who heals (Ex 15:26), and He continues to be to this day the source and power for our healing.

As New Covenant believers in the atoning power of the death and resurrection of Yeshua Christ, we are totally saved, not only in the spiritual but also in the physical.

Who Himself bore our sins in His own body on the tree, that we, having died to sins, might live for righteousness – by whose stripes you were healed (1 Pet 2:24).

We have a high calling as Christians. We have not been given "so great a salvation" (Heb 2:3) in order that we may continue to live like the world and die like the world. Our bodies are His temple in which His Spirit dwells (1 Cor 6:19).

But if the Spirit of Him who raised Yeshua from the dead dwells in you, He who raised Christ from the dead will also give life to your mortal bodies through His Spirit who dwells in you. (Rom 8:11)

God has shown us His perfect way of healing, which we are meant to follow. He does not want us to place our trust in any other than Him (Jer 17:5-8). Our Lord Yeshua did not come to set up a system of healing. He is Himself the Healer.

The Healer is now living in us. True healing is obtained only through the cross.

Join us as we look into the word of God to see how Yeshua healed and how He taught His disciples to heal.

Come and hear what

- a former consultant oncology surgeon,
 - a former doctor, the medical officer in charge of accident and emergency, and
 - an expert in naturopathic healing
- have to say about why they renounced their former practices and now embrace God alone for healing.

Listen also to

- a former nurse tutor and former nurses,
 - pastors, church elders and others
- share how they learnt that Yeshua heals today.

Come and meet believers who have been miraculously healed from cancer and other diseases. Their testimonies will encourage you and cause you to glorify God. Find out how they received healing, God's way, and how they continue to walk in divine health.

This will be a time of strengthening your faith in God, of establishing a firm relationship with Christ as your Healer and of learning to be used of God to bring healing to others, His way. Do join us.
